

Congratulations!! **FiOS IS NOW AVAILABLE AT Hilltop Farms!!** With Verizon FiOS, you'll get the fastest Internet service available for video, music, photo sharing, telecommuting and distance learning with speeds up to 50/20 Mbps. And you can see it all on true HDTV. That's because FiOS uses fiber-optic technology to bring unprecedented entertainment, information and communications right into your home:

We are requesting permission to host an event with the residents of Hilltop Farms and to distribute flyers prior to the event. We also invite your management team to join our Leasing Agent Rewards Program that pays you back with great merchandise from home electronics and convenience items to jewelry. The program is simple — the more of your residents that sign up for Verizon FiOS, the more chances you have to take home big rewards.

- FiOS TV is rated # 1 in customer satisfaction over cable.
- Over 500 all-fiber, all-digital channels available including 102 Hi-Def (HD) channels for a breathtaking picture and room-shaking sound. Verizon now offers more HD channels than cable.
- Over 11,000 video-on-demand (VOD) titles, 70 percent of which are free.
- Blazing-fast Internet with optional speeds up to 50 Mbps.
- Crystal-clear phone service with 99.9% network reliability.
- Wireless networking router and home installation included.
- Live, 24/7 technical support.
- FiOS Triple Play Bundle Prices starting as low as \$99.99 (Freedom Essentials voice, 10/2 Mbps FiOS internet, and FiOS TV "Essentials"). New one year agreement required plus taxes.
